

Account or customer number:

Name and address of account holder/depositor:

The bank is available at the following addresses:

German: <https://internetbanking.gad.de/ptlweb/WebPortal?bankid=0711>

English: <https://ebanking.wirecardbank.com/fbwirecard/>

To block your account, call:

+49 (0) 1805 / 558 390*

*EUR 0.14/min on the German landline, max. EUR 0.42/min on German mobile networks.

Concerning the electronic data transfer as part of the online dialogue with PIN and TAN (eBanking) the above named account holder/depositor of the accounts listed in section 1 agrees the following with the bank:

1. Subject Matter of the Agreement

The account holder/depositor and any other authorized representatives (hereinafter referred to as "Users") named in section 2 is/are authorized to use eBanking to the extent provided by the bank (see appendix).

eBanking is made available for the following accounts/deposit accounts:

Account/Deposit account no(s):

The account holder/depositor does not himself utilize eBanking as offered by the bank, yet does agree to its use by the authorized representatives named in section 2, taking the terms of section 7 into consideration.

2. Authorized Representatives

The following authorized representatives for the aforementioned accounts/deposit accounts.

First name, surname of the authorized representative:

Cell phone number (for use of mobile TANs):

may utilize the eBanking dialogue to the extent given below:

All eBanking services offered by the bank without limitation

Account/deposit account inquiries only (e.g. accounting clerks that may not operate the account)

The agreed upon signatories of the accounts/deposit accounts referred to in section 1 are valid.

3. Withdrawal Limit

Withdrawals made via eBanking are limited

per calendar day to a total of EUR

5,000.00

EUR

The withdrawal limit applies only to domestic payments made in euros, and not to transfers in favor of other accounts that the account holder maintains with the bank.

4. Access

The bank can be accessed via eBanking using the addresses provided above.

5. Blocking the Account

In accordance with our eBanking terms, the user must call the aforementioned telephone number to block the account in the event that PIN and TAN have become known, in the case of suspected improper use of PIN and TAN, or if the TAN generator is lost (see section 8, and concerning the TAN generator, also section 9 of the terms).

6. Information pursuant to the German Tele Media Act

The personal data collected as part of eBanking is processed and utilized by the bank, and if required, by its authorized data center, GAD eG, Weseler Straße 500, 48163 Münster, within Germany and the European Union for the purpose of performing the agreement.

7. Provision of TAN and Inclusion of eBanking Terms

The user/s will receive the transaction numbers (TAN) for eBanking

via the TAN generator and/or the TAN list.

The "Terms for the Utilization of eBanking with PIN and TAN (using a TAN list or TAN generator) for Accounts/Deposit Accounts" apply to the use of eBanking.
